

Esker Will Tout Its Excellence in AP Automation at the IOFM Accounts Payable Summit 2015

Visit booth #8 to learn more about Esker's document process automation solutions and unique offerings for AP professionals

Madison, WI — April 20, 2015 — [Esker](#), a worldwide leader in [document process automation solutions](#) and pioneer in [cloud computing](#), is pleased to announce that it will be an exhibitor at the [Accounts Payable Summit 2015](#), the premier AP and P2P event in Canada. The summit will take place on April 20-22 at the [Renaissance Toronto Downtown Hotel](#) in Toronto, Ontario.

Esker will be stationed at booth #8, showcasing how its [collaborative platform](#) can be used to facilitate [automated AP invoicing](#) using electronic workflow, data capture, touchless processing and dashboards for enhanced reporting and analytics. Individuals who stop by Esker's booth can also get a free pair of flashing sunglasses and sign up for a chance to win a \$200 Visa gift card.

"The Accounts Payable Summit is great for AP professionals looking to network and get answers to some of the most pertinent questions in AP today," said [Steve Smith](#), U.S. Chief Operating Officer at Esker Americas. "Esker is pleased to be part of such a valuable event, and we look forward to showing attendees what our AP automation solution can do for those not only looking to improve efficiency and invoice processing speeds, but optimize cash management and make AP more strategic."

About the Accounts Payable Summit 2015

The Accounts Payable Summit 2015 is the only AP event that strictly focuses on accounts payable education and practical approaches to automation, leadership and process improvements in a peer-to-peer setting. Attendees will network, learn, and hear case studies and informative sessions presented by representatives from top organizations.

About Esker

Esker is a worldwide leader in document process automation solutions. Addressing all types of business processes, from accounts payable and accounts receivable to order processing and purchasing, Esker cloud computing solutions enable companies to automate the reception, processing and sending of any business document with one platform. Esker helps over 80,000 companies around the world to reduce the use of paper and eliminate manual processes while improving their productivity, efficiency and environmental impact.
