

# Esker Set to Showcase Its Paperless Document Processing Solutions at the 2014 ASUG SAP Business One Summit

**Madison, WI — September 15, 2014 —** [Esker](#), a worldwide leader in [document process automation solutions](#) and [SAP®](#) software solution and technology partner, is pleased to announce its presence at the [2014 ASUG SAP Business One Summit](#). This marks the fifth anniversary of the annual event, with this year's summit being held September 15-17, 2014, in Schaumburg, IL.

The 2014 ASUG SAP Business One Summit offers a unique combination of education, influence and networking specifically tailored to SAP Business One users. As a Ruby Sponsor, Esker will be available during the summit to discuss how its suite of integrated [solutions for SAP](#) can help optimize any company's core SAP business infrastructure by bringing new levels of efficiency, visibility and cost-effectiveness to critical business functions.

Esker's U.S. Chief Operating Officer, [Steve Smith](#), views his company's presence at the summit as a great value for both Esker and the attendees. "It's rewarding to be part of a conference as subject-specific to its users as this one is. Our solutions are highly compatible with all SAP applications, including SAP Business One, so we're not only eager to hear what some of the biggest challenges and goals are among this group of users, but to highlight how quitting paper with Esker has the potential for some pretty significant business benefits."
