

Esker Named SIIA Software CODiE Award Finalist for Best Financial Management Solution

Esker's Accounts Payable and Accounts Receivable automation solutions earn prestigious software industry award

Washington, D.C. — April 9, 2015 — [Esker](#), a worldwide leader in [document process automation solutions](#), today announced that its Accounts Payable and Accounts Receivable automation solutions were named as a finalist for the 2015 SIIA Software CODiE Awards for Best Financial Management Solution. The [SIIA CODiE Awards](#) are the premier award for the software and information industries, and have been recognizing product excellence for 30 years. The awards have over 85 categories and are organized by industry focus of [Content](#), [Education](#), and [Software](#).

This year's program features 29 Software categories, several of which are new or updated to reflect the latest industry trends. Winners will be announced during a special virtual [SIIA Software CODiE Awards Ceremony](#) on May 7, 2015.

Esker's [Accounts Payable](#) solution optimizes the process of verifying, data entry and approval through the use of intelligent capture, touchless processing and electronic workflow capabilities, helping companies save time and costs while improving supplier relationships. Esker's [Accounts Receivable](#) solution allows companies to fully automate the delivery and archiving of paper and electronic -invoices in compliance with worldwide regulations, while leveraging a customer portal and collections tools to enhance customer communication and more effectively manage the entire AR workflow.

"Having our Accounts Payable and Accounts Receivable solutions recognized by SIIA is a tremendous honor for our company, and a testament to all that Esker has invested into making our products unique and beneficial," said [Steve Smith](#), U.S. Chief Operating Officer at Esker Americas. "Effective management of financial documents is critical for today's organizations, and we're thrilled to be identified as one of the primary leaders in this area of expertise."

"All the CODiE finalists this year showcase innovation and creativity in today's market. We are happy to recognize them for their products that are breaking ground in the software and services industries," said Rhianna Collier, VP & General Manager for the Software & Services Division at SIIA.

Details about each finalist are listed at <http://sii.net/codies/2015/finalists.asp>.
