

Esker Participating in Fusion 2015 as Gold-Level Partner and Exhibitor

Madison, WI — May 11, 2015 — [Esker](#), a worldwide leader in [document process automation solutions](#) and pioneer in [cloud computing](#), today announced its gold-level partnership and appearance at [FUSION 2015](#). This event is set to take place at Gaylord Palms Resort and Convention Center in Orlando, Florida from May 11 to May 14.

As a partner and exhibitor, Esker will be available at **Booth #200** to highlight the benefits of its Accounts Payable and Accounts Receivable automation solutions. These solutions are able to integrate with virtually any ERP, desktop or business application in order to automate every phase of processing and managing customer and vendor invoices. Esker staff will also be on-hand to answer questions and provide original content pieces to learn more.

“FUSION is incredibly beneficial when it comes to the level of engagement and educational opportunities it produces, and it’s exciting to be part of that,” said Steve Smith, U.S. Chief Operating Officer at Esker Americas. “We’re at a time now where businesses of all sizes are seeking ways to make their AP and AR processes more modern and strategic. For us, this is a platform to better understand the challenges folks are facing and highlight how our solutions can address them — whether its eliminating manual processing steps and offering richer analytics, or giving customers and vendors more of the self-service tools they expect.”

Esker will host an informational speaking session titled *Automate Any Invoice Process with One Integrated Platform*, on May 13 from 10–11 am, overviewing its automation solutions. Conference attendees who visit Esker’s designated booth will receive a pair of blinking sunglasses and can sign up for the chance to win a free Apple iPad.

About FUSION

Hosted by [The Institute of Financial Operations](#) and focused on trends in accounts payable, accounts receivable and work process improvement — FUSION began back in 1990. Today, it has over 50 solution providers participating and hundreds of guests in attendance. In the four days it spans over, attendees have the opportunity to join in educational sessions, keynotes and networking opportunities.
