

Esker Announces Silver Sponsorship at IOFM's Accounts Payable & Procure-to-Pay Conference & Expo

Attendees can visit Esker at Booth #24 on May 18-20 in Lake Buena Vista, FL

Madison, WI — May 18, 2015 — [Esker](#), a worldwide leader in [document process automation solutions](#) and pioneer in [cloud computing](#), is pleased to announce its silver sponsorship and appearance at [IOFM's AP & P2P Conference & Expo](#), the largest, most comprehensive event dedicated to accounts payable (AP) education. The event will be held on May 18-20, 2015, at Disney's Yacht & Beach Club Resorts® in Lake Buena Vista, FL.

IOFM's AP & P2P Conference & Expo brings together motivated AP professionals from around the country searching for practical strategies to improve efficiency and solutions to the toughest challenges in AP today. It offers attendees the chance to join in networking roundtables, certification training, keynotes and many more learning opportunities.

As a sponsor and exhibitor, Esker will be available at **Booth #24** to discuss how its [Accounts Payable](#) and Purchasing solutions can work with virtually any ERP, desktop or business application to automate every phase of the procure-to-pay (P2P) cycle. Using intelligent capture, touchless processing and electronic workflow capabilities, businesses can eliminate costly and time-consuming manual steps while delivering visibility from start to finish. Esker staff will be on-hand to answer questions and provide content pieces to learn more. Attendees can stop by to receive a pair of blinking sunglasses and enter to win a free Apple iPad.

“There is a lot of positive change and innovation occurring within AP at the moment, which is why we're pleased to be part of such a collaborative event like IOFM's AP & P2P Conference & Expo,” said [Steve Smith](#), U.S. Chief Operating Officer at Esker Americas. “As more and more businesses are waking up to the influence that AP and P2P processes have on the financial health of organizations, they're looking for solutions. Esker's goal is to highlight how automated AP invoicing and purchasing — through enhanced workflow efficiency, greater analytics and process visibility, and modern capabilities like mobile approval — can provide companies the competitive edge they're searching for.”
