Document Process Automation

Get in the Know: Esker Announces Its July Lineup of Educational Webinars

Madison, WI — July 17, 2013 — Esker, a global leader in document process automation solutions, announced today that it will be hosting a series of live educational webinars throughout the month of July. Featured topics include: cloud faxing solutions, accounts payable automation, accounts receivable automation and sales order processing. Each 60-minute webinar allows attendees to engage directly with Esker presenters via the Web while gaining valuable insight into automation initiatives, industry trends and new technologies. To register, click on the title of your preferred webinar from the July lineup listed below.

July 2013 webinar schedule:

Fax: Still at the Heart of Patient Safety & Medical Records

Date: Wednesday, July 17, 2013

Time: 2:00 p.m. EST / 11:00 a.m. PST

Description: Get an educational overview of the key role that cloud fax solutions play in patient safety, customer care and streamlining medical record processing.

Kick AP Workflow Out of Your SAP System and Into the Cloud

Date: Thursday, July 18, 2013

Time: 3:00 p.m. EST / 12:00 p.m. PST

Description: Explore the benefits of automated AP processing with workflow logic that resides outside the SAP system and inside the cloud. You'll learn ways to extend efficient and consistent invoice approval processing beyond the walls of your office and ERP environment.

Cloud Computing Exclusive: Agile and Efficient Faxing in the Cloud

Date: Tuesday, July 23, 2013

Time: 3:30 p.m. EST / 12:30 p.m. PST

Description: Is cloud fax a good option for your organization? Discover how you can deploy reliable faxing quickly and at low cost, and learn about web services to cloud fax-enable enterprise applications.

Wellness Check: Does Your AR Process Need to Hit the Gym?

Date: Thursday, July 25, 2013

Time: 2:00 p.m. EST / 11:00 a.m. PST

Description: Identify if your Accounts Receivable invoicing routine is ahead of the pack, middle of the road or lagging behind based on five key performance indicators in this highly informative webinar.

(*continued*)

Automating Fax & Email Orders to Streamline Order Management & Customer Service

Date: Tuesday, July 30, 2013

Time: 2:00 p.m. EST / 11:00 a.m. PST

Description: Learn how any company can improve order management by turning fax and email into an EDI-like process, prioritizing and integrating orders into ERP, and managing growing order volumes without adding staff!

About Esker
