

Esker to Focus on Innovations in Document Process Automation at the 2015 SAPPHIRE® NOW and ASUG Annual Conference

Attendees can visit the SAP software solution and technology partner at booth #378

MADISON, Wis. — May 5, 2015 — [Esker](#), a worldwide leader in [document process automation solutions](#) and pioneer in [cloud computing](#), today announced its participation as a diamond-level exhibitor at the 2015 [SAPPHIRE® NOW and ASUG Annual Conference](#), being held May 5-7 at the Orange County Convention Center in Orlando, Florida.

Put Paper Out of Business

Presenting in booth #378, Esker will highlight how its solutions can help organizations of all sizes enhance their existing SAP® solutions by eliminating manual processes, reducing IT complexity and making business communications more collaborative. Attendees will be able to spot Esker's booth by its modern teal, red and white color scheme and “*Put Paper Out of Business*” messaging.

Esker's document process automation solutions include:

- [Order Processing](#) automation
- Paper-free [Accounts Payable](#) invoice processing
- Automated [Accounts Receivable](#) invoice delivery and collections management
- Electronic [Purchasing](#)
- [Mail Services](#) and [Cloud Faxing](#)

“Despite being well into the 21st century, there are still many organizations that have manual ‘gaps’ in their order-to-cash and procure-to-pay processes,” said Steve Smith, Chief Operating Officer at Esker. “Esker's goal at SAPPHIRE NOW is to help professionals understand the added value to be gained in SAP solution-based environments. Intelligent automation solutions not only make document processing faster and more cost-effective; they bring the all-important element of collaboration into every phase of communication — and all without adding complexity to existing applications.”

Visitors to Esker's booth will receive more information on Esker solutions and can pick up a pair of the ever-popular blinking sunglasses.

Live Demonstrations

Throughout the SAPHIRE NOW conference, Esker professionals will be offering a variety of live demonstrations for attendees to discover more about the benefits of document process automation.

- **In-booth demos:** Esker's designated space (booth #378) features an in-booth theater where an assortment of demos will be held throughout the conference on topics that include: accounts payable, accounts receivable, order processing and cloud fax services.
- **Microforum session:** On Tuesday, May 5, at the Platform & Technology Microforum 3 from noon to 12:45 p.m., Esker will host an educational microforum session titled: *The Competitive Advantages of Automating Fax, Email & EDI Orders in SAP Software*. This presentation explores how order processing automation can help businesses achieve order management excellence without complicating their SAP solution infrastructure.

SAPHIRE NOW and the ASUG Annual Conference are the world's premier business technology event and largest SAP customer-run conference, offering attendees the opportunity to learn and network with customers, SAP executives, partners and experts across the entire SAP ecosystem.
