

Esker Showcasing Its Suite of Document Process Automation Solutions at the 2014 SAPPHIRE® NOW and ASUG Annual Conference

Visit the SAP® software solution and technology partner in booth #357

Madison, WI and Orlando, FL — June 3, 2014 — [Esker](#), a worldwide leader in [document process automation solutions](#) and an [SAP®](#) partner, today announced its participation as a diamond-level exhibitor at the 2014 [SAPPHIRE NOW + ASUG Annual Conference](#), being held June 3-5 at the Orange County Convention Center in Orlando, FL.

Paper Is Not Your Friend

Presenting in booth #357, Esker will highlight its expertise in helping professionals and companies of all sizes maximize their investments in SAP® solutions by helping to eliminate the root cause of so many problems within business document processing — paper. Attendees will spot Esker's booth by its modern teal, red and white color scheme and *Paper Is Not Your Friend* messaging.

Esker's suite of document process automation solutions include:

- [Accounts Payable](#) invoice processing
- [Accounts Receivable](#) invoice delivery
- [Order Processing](#)
- [Mail Services](#) and [Cloud Faxing](#)
- [Purchasing](#)

"Improving process efficiency, reducing IT complexity and gaining competitive advantages are all things business software users have at the top of their wish lists — but it's nearly impossible when order-to-cash and procure-to-pay cycles still run on paper," said Steve Smith, Chief Operating Officer at Esker. "For Esker, participating in SAPPHIRE NOW is a great way to showcase how our platform can not only modernize traditional document processes, but bring additional value to SAP solution-based environments without adding complexity."

Visitors of Esker's booth can request more information in the form of buyer's guides, customer case studies and more. Plus, fun opportunities to win prizes, such as gift cards, will be available for conference participants and attendees.

Live Demonstrations

Throughout the SAPPHIRE NOW conference, Esker professionals will be offering a variety of live demonstrations for attendees to discover more about the benefits of document process automation.

- **In-booth speaking sessions:** Esker's designated space (booth #357) features an in-booth theater where an assortment of sessions will be held throughout the conference, including automation demos on accounts payable, accounts receivable, order processing, cloud fax services, as well as presentations featuring Esker customers and partners.
- **Microforum session:** On Wednesday, June 4, at the Industry & Line of Business (LoB) campus from 3:00 to 3:45 p.m., Esker will host a comprehensive microforum session titled: "Automating Orders in an SAP Environment for Improved Customer Service & Competitiveness." This session outlines how businesses can improve order management, gain a competitive edge and facilitate growing order volumes without adding staff by leveraging one automation platform integrated with SAP solutions.
