

## Esker Best-of-Suite Solution Injects Much-Needed Simplicity/Efficiency into Complex IT Environment

*Booth #302: Esker, SAP® software solutions and technology partner, spotlights its single platform for document process automation for use with SAP applications at SAP TechEd 2012 Las Vegas*

Las Vegas, NV – Oct. 16, 2012 – [Esker](#), a foremost authority in [document process automation solutions](#) and [SAP®](#) software solution and technology partner, highlights the benefits of its comprehensive [best-of-suite platform](#) as a silver-level exhibitor at the [SAP TechEd 2012](#) conference in Las Vegas through Oct. 19. Esker will be exhibiting in booth #302 with a group of representatives on hand to directly answer attendees' questions about best practices, potential challenges and the far-reaching influence of a single-platform solution.

### One solution for end-to-end automation

Conference attendees will recognize the Esker booth by its puzzle theme and “All the Pieces, One Integrated Platform” message, which exemplifies the benefits of leveraging one piece of technology to automate multiple document processes. IT professionals will gain added-value from Esker's partnership with SAP in discovering how Esker solutions work together with SAP software to successfully eliminate the manual processing of documents.

“Success in today's IT environment is all about how your document process infrastructure performs, and automation is *the* tool for top-tier performance in this arena,” said Steve Smith, U.S. Chief Operating Officer at Esker Americas. “Combining multiple stand-alone solutions opens the door for even more complexity and problems down the road. What Esker does is simplify the IT landscape using one SAP solution-friendly offering that's capable of automating virtually any business process that runs on paper — from accounts payable and accounts receivable to sales order processing and fax/mail services. And, because our solutions are also available as a service, companies can realize quicker ROI while keeping the demands on their IT departments low.”

### Taking your knowledge to the next level

In addition to face-to-face interaction with Esker's leadership team, attendees visiting the Esker booth can also request complimentary copies of white papers, thought leadership articles, case studies that outline customer success stories, and — best of all — our gaudy-in-a-good-way flashing sunglasses. Always a crowd favorite!

“Esker has been part of SAP TechEd for a number of years now and each time has been more beneficial than the last,” said Smith. “We're given a unique opportunity to share our knowledge and the innovation of our solutions as they relate to SAP applications, while at the same time getting firsthand information about the challenges and prospects from real industry folks. It's an incredibly rewarding experience and something we go all out for.”
