

September Webinars: Esker Highlights Best Practices in Cloud Automation Solutions

Madison, WI — September 3, 2013 — [Esker](#), a global leader in [document process automation solutions](#), announced today that it will be hosting a series of live educational [webinars](#) throughout the month of September. Featured topics center on cloud-based business solutions, including [Fax Services](#) and [Accounts Payable](#) automation. Each 60-minute webinar allows attendees to engage directly with Esker presenters via the Web while gaining valuable insight on automation initiatives, industry trends and new technologies.

September 2013 webinar schedule:

[How Does Your AP Department Stack Up?](#)

Date: Wednesday, September 4, 2013

Time: 2:00 p.m. EST / 11:00 a.m. PST

Description: How do your company's Accounts Payable (AP) automation initiatives stack up against top competitors? Join this webinar to find out! For the first time, results of a new AP automation study conducted by the Institute of Finance and Management (IOFM) will be revealed that include data on AP automation technology adoption, key business case drivers, top implementation challenges and more!

[IT and Business Benefits of Cloud Faxing](#)

Date: Thursday, September 19, 2013

Time: 3:30 p.m. EST / 12:30 p.m. PST

Description: In this webinar, attendees will learn how to deploy faxing throughout their entire organization — with features like real-time status and 24/7/365 availability. Also covered: How cloud services lay the foundation for data capture, workflow tools, postal mail automation and business process improvements.
