

## TermSync to Attend the Annual NACM Credit Congress & Exposition as a Preferred Partner

**Madison, WI — May 18, 2015 —** [TermSync](#), an Esker company, will be in attendance for the [119<sup>th</sup> Annual Credit Congress & Exposition](#) hosted by the [National Association of Credit Management](#) (NACM). The event is located in St. Louis, Missouri at the America's Center and will be held May 17 through the 20.

The annual NACM educational event provides a forum for exchanging information on current trends in the credit and financial management field and draws nearly 2,000 credit professionals. For the second consecutive year, TermSync was selected by NACM to be part of their [Preferred Partner Program](#) due to TermSync's incredible array of new and improved technology that its member base has steadily adopted over the last several years. TermSync will be stationed in booth #537 where visitors will have the opportunity to chat with TermSync's staff about the benefits of its cloud-based platform, participate in a prize drawing and receive a free pedometer.

"We're thrilled to partner with a trusted organization like NACM and look forward to serving their members," said Mark Wilson, President of TermSync. "Our users are excited to gain access to the NACM National Trade Credit Report (NTRC) through our already powerful yet easy-to-use solution."

Through automated tools for invoice delivery and collections management, TermSync's cloud-based platform allows companies to get paid faster, reduce administrative costs and improve customer relationships. Companies have a choice of various modules including: customer portals, invoice delivery, collection workflow management and advanced reporting and analytics. By working with existing accounting systems, it can be installed and running in a day or less. To date, over 350,000 organizations are using TermSync to pay bills, get their customer invoices paid or both.

### About the 119<sup>th</sup> Annual Credit Congress & Exposition

Held in the newly renovated America's Center in downtown St. Louis, this event offers more than 60 educational sessions with subjects such as: business and technical skills, credit management, financial analysis, leadership and management, credit and technology, international credit concepts and legal environment of business credit. It is the largest gathering of business credit professionals in the United States.
