

Stay informed on the ever-changing e-invoicing market! As a worldwide leader in AI-driven process automation solutions, Esker helps your business stay compliant.

COUNTRY UPDATES

EUROPE

DENMARK — Starting April 18, 2020 all public entities in Denmark must accept e-invoices submitted through PEPPOL.

FRANCE — On December 28, 2019, French government voted in favor of a Business-to-Business (B2B) e-invoicing mandate, which will gradually come into force between 2023 to 2025 for all businesses. Similar to Italy, the European Commission must authorize a derogation to the French government prior to the law going into effect as it conflicts with Articles 218 and 232 of Directive 2006/112/EC. GERMANY — Business-to-government (B2G) e-invoicing to federal authorities will become mandatory in Germany as of November 2020. [Learn more](#)

GREECE — The Independent Authority for Public Revenue's (IAPR) role is to implement e-invoice clearance alongside the new e-books scheme called myDATA. As a first step, the authorities must define the invoice format that will be exchanged between the parties in B2B transactions following the European Norm, as defined in the Directive 2014/55/EU. [Learn more](#)

ITALY — Following e-invoicing mandates, companies supplying the Servizio Sanitario Nazionale (SSN) will be obligated to manage the reception of orders in electronic format through the NSO platform as of February 1, 2020 for goods suppliers and as of January 1, 2021 for services suppliers. [Learn more](#)

PORTUGAL — Due to the pandemic, A new timeline has been communicated by the government for suppliers to comply with the upcoming B2G e-invoicing mandate:

- Large businesses (over 250 employees) – not ready to comply with B2G e-invoicing mandate by April 18, 2020 – have now until December 31, 2020 to implement e-invoicing into their processes.
- June 30, 2021 – deadline for small and medium size companies (between 10 and 250 employees)
- December 31, 2021 – deadline for all companies.

ASIA

INDIA — India is moving to the clearance model on a voluntary basis as of January 2020. The clearance model will become mandatory for companies with a turnover of Rs.100 Crore or more as of October 2020 ([postponed](#)). [Learn more](#)
