Caatalyst Signs Dynamic Referral Partnership With Esker

Derby, UK — January 24, 2024 — [Esker](#), a [global cloud platform](#) and leader in [AI-driven process automation solutions](#) for Finance, Procurement and Customer Service functions, today announced that [Caatalyst](#), a profit recovery audit specialist, has signed as a referral partnership to promote Esker [Source-to-Pay](#) automation solutions to its clients.

Caatalyst is an international audit firm that works with large global organisations to uncover lost profits, due to duplicate payments, missed credits, contract overpayments and more. Creating a valued and trusted relationship with its clients is key to Caatalyst's success.

“Each of our audits is a fact-finding mission. We uncover real errors that have been going on for years, costing businesses thousands and sometimes millions of pounds. Following the audit and profit recovery, we give best practice recommendations, which is when we will whole-heartedly be recommending Esker for process improvements and efficiency gains. This partnership goes hand-in-hand with what we do on a daily basis and we look forward to working together.”

Charlie Watson, CEO, Caatalyst

The team are confident that the Esker Source-to-Pay solution suite can improve their clients' accuracy on the end to end process from supplier invoices, Purchase Orders, goods received, payment approvals and overall visibility into the entire process.

“In this current economic climate, the recovery of any overpayments or missed credit is more important than ever. Through this partnership, we can advise and facilitate which of the Esker automation solutions will give the most accurate accounting and payables efficiency gains, visibility of inefficient processes and clear reporting capabilities, for these errors to be minimised in the future.”

Alistair Nicholas, Managing Director, Esker Northern Europe

About Caatalyst

Since 2003, Caatalyst has emerged as a leading provider of Profit Recovery Audit service, both in the UK and globally. We meticulously examine past supplier and tax transactions for large organisations, uncovering lost profits: duplicate payments, missed credits, contract overpayments and more. Our reach extends to 30+ countries, with a diverse portfolio of audited clients worldwide. Operating solely on a contingency basis, our fees are determined by a percentage of the funds we successfully recover, relieving clients of any budgetary concerns and simplifying the recovery process.
