

Esker and Corpay Team Up to Offer Business Payments

Partnership enables Corpay payment via Esker Pay integrated into Esker's automation solutions

Derby, UK — February 11, 2022 — [Esker](#), a [global cloud platform](#) and leader in [AI-driven process automation solutions](#) for finance and customer service functions, today announced a strategic partnership with [Corpay](#)¹, a leading AP payment solutions provider, to integrate additional business payment options within Esker's automation solutions.

Esker customers can now seamlessly leverage Corpay solutions to pay suppliers with [Esker Pay](#), a comprehensive set of payment capabilities and strategic fintech partnerships all within a single platform. Esker Pay is fully integrated with Esker's [Procure-to-Pay](#) and [Order-to-Cash](#) solution suites so businesses can eliminate manual, complex and inefficient processes to seamlessly manage cash flow.

"Corpay's solutions are a natural fit for Esker and its customers," says Emmanuel Olivier, Esker Worldwide COO. "We align with Corpay's values of securely and efficiently operating across multiple industries, to best support our customers and the overarching business ecosystem."

Corpay solutions available through Esker Pay include payment automation, commercial card, virtual card, cross-border payments and travel and expense cards. Corpay is the leading large-market commercial issuer of Mastercard in the US² with more than 850 thousand vendors within the Corpay network.

"At Corpay, we are committed to delivering value to companies by streamlining their AP processes," says Byron Biggins, SVP of Strategic Partnerships for Corpay. "Our partnership with Esker furthers our goal to equip businesses with scalable payment technology customised for unique needs."

Corpay's bank-agnostic technology provides greater flexibility with treasury relationships without disruption to organisational programs. Esker's 35+ years of experience in ERP integrations enable cohesive automation across entire organisations regardless of legacy systems inherited from mergers and acquisitions.

"As Esker continues to make these strategic partnerships, we always make sure to keep our customers front of mind," says Steve Smith, Esker U.S. COO. "This partnership provides greater access to payment options so our customers can build positive-sum growth amongst their company, employees, customers and suppliers."

Esker welcomes Corpay to join their roster of strategic Fintech partnerships included in its new Esker Pay offering.

About Corpay

Corpay is a worldwide comprehensive payments provider for businesses. Corpay's full suite of solutions — ranging from corporate payment cards to domestic and international payment automation — empower companies to potentially reduce their entire payment automation process to a single payment per cycle, with reduced risk and minimal reconciliation effort. Corpay's card and payment automation solutions provide efficiencies and cost-savings, while their cross-border payments and currency risk management solutions enable customers to recognise success across the globe.

About Esker

Esker is a global cloud platform built to unlock strategic value for finance and customer service professionals, and strengthen collaboration between companies by automating the cash conversion cycle. Esker's solutions incorporate technologies such as artificial intelligence (AI) to drive increased productivity, enhanced visibility, reduced fraud risk, and improved collaboration with customers, suppliers and internally. Esker operates in North America, Latin America, Europe and Asia Pacific with global headquarters in Lyon, France, and U.S. headquarters in Madison, Wisconsin.
