Esker to Join Gartner® CFO & Finance Executive Conference 2025 as Platinum Exhibitor

The conference will feature a speaking session by Emmanuel Olivier, Esker Worldwide Deputy CEO

Derby, UK — 3rd September, 2025 — Esker, the leading AI Automation Suite for the Office of the CFO, is pleased to announce its participation at the Gartner CFO & Finance Executive Conference on the 10th and 11th September in London, exhibiting at booth #204.

Emmanuel Olivier, Worldwide Deputy CEO at Esker will be presenting a thought-provoking session during the event, focusing on the subject of ‘From CFO to Growth Architect — Transforming the Office of the CFO with AI’. We look forward to welcoming a large group of attendees to the session.

“I would say that this year’s conference is going to be another very insightful look into what CFOs and Finance Executives must consider in order to uncover the hidden strategies behind creating autonomous finance solutions and tapping into new growth potential,” said Olivier.

Join us for an opportunity to connect, learn and grow alongside industry leaders, key specialists, and like-minded professionals. Esker’s team of experts will be available throughout the entire conference to meet with attendees at booth #204.
