

Esker Partners HitPay to Offer Businesses More Payment Options

Singapore — 24 May 2022 — [Esker](#), a [global cloud platform](#) and leader in [AI-driven process automation](#) solutions for finance and customer service functions, today announced a strategic partnership with [HitPay Payment Solutions Pte Ltd](#) in Singapore. HitPay is a full-stack payment provider offering a full range of payment methods that include credit cards, BNPL and local e-wallets in Asia.

With HitPay, Esker customers in Asia can now offer additional payment options to their customers, such as Paynow, Grabpay and Alipay. HitPay's payment solution is fully integrated with Esker's [Accounts Receivable solution](#), offering a wide range of flexible and easy-to-use options to get paid faster by providing additional payment methods that are available throughout Asia.

"HitPay is dedicated to helping companies grow with scalable, easy-to-use payment solutions," said Aditya Haripurkar, Co-Founder and CEO at HitPay. "We're delighted to partner with Esker and drive the success of businesses around the globe."

"We continue to make strategic partnerships for innovative local and global payment solutions to enrich the portfolio of Esker Pay," said Albert Leong, Managing Director at Esker Asia. "The partnership with HitPay will provide our customers with additional payment options such as Paynow, Grabpay, Alipay and more."

Esker Pay is a comprehensive set of integrated payment capabilities and strategic Fintech partnerships to help businesses unlock cashflow by eliminating complex and inefficient accounts receivable and accounts payable processes.

About HitPay

HitPay is a full-stack payments provider that empowers SMEs with easy, affordable digital payments. HitPay's no-code solutions range from e-commerce plugins to POS machines without rental fees — all equipped with a full range of payment methods, including credit cards, BNPL, and local e-wallets. Every product at HitPay is designed to make digital payments as affordable, efficient, and simple as possible, helping businesses reach more customers and scale with ease.
